FIG. 9 is a perspective view of a multi-layered structure 900, showing a top layer 905, a middle layer 904, and a bottom layer 903. The top layer 905 is a flat plate with a dashed line indicating a cut or fold. The middle layer 904 is a rectangular block with a central slot. The bottom layer 903 is a rectangular block with a series of small, rectangular protrusions along its top edge. The layers are shown in a perspective view, with dashed lines indicating the internal structure and alignment of the layers.
